

# Overview of Community Impact

**Made possible by your donations**  
**April 1, 2023–March 31, 2024**

Dear Partners and Friends,

There is power in coming together to support the common good—and we have seen the meaningful results of your dedication to our shared mission time and time again. This year was no different. The impacts of your generosity and collaboration are detailed in this report, highlighting what you have helped make possible across the Treasure Valley.

Through your support we are working to improve health and wellbeing for all, helping young people realize their full potential, building financial stability and strength, and addressing urgent needs today for a better tomorrow. United Way of Treasure Valley is mobilizing our communities to action so that all can thrive.

From investments in impactful community partners working every day to address the immediate needs of kids and families, to providing a free, up-to-date, easy to use self-navigation tool through [findhelpidaho.org](https://findhelpidaho.org), to utilizing real-time data for decision-making and action, to leading the transformational growth of Community Schools across the state, United Way is committed to supporting solutions that change the future. To learn more about how you can join us in addressing the critical needs of our community, visit us at [unitedwaytv.org](https://unitedwaytv.org). When we come together, we can create lasting change.

In gratitude,

A handwritten signature in white ink, which appears to read "Megan". The signature is fluid and cursive, written over a light blue background.

President & CEO

# OVERALL OUTCOMES FOR 2023–2024

## YOUTH OPPORTUNITY IMPACT

**12,711** community members supported

United Way of Treasure Valley made a significant impact across three key areas this year. From preparing young children for school to supporting students' growth inside and outside the classroom, and equipping older youth with the skills needed for life after high school, our efforts ensured a brighter future for thousands in our community.

## HEALTH IMPACT

**44,245** community members supported

United Way of Treasure Valley made a positive impact on the health and well-being of our community by promoting healthy habits, providing essential preventative medical and dental services, and ensuring access to behavioral health support. These efforts helped individuals and families across the Treasure Valley lead healthier, more resilient lives.

## FINANCIAL SECURITY

**3,697** community members supported

United Way of Treasure Valley advanced financial stability in our community by providing job education and training, leading to better financial literacy and livable wage jobs. Additionally, we improved access to housing programs, helping hundreds of individuals and families secure affordable permanent housing.

## FINDHELPIDAHO.ORG

**32,224** community members supported

findhelpidaho.org continues to be an asset to our community. This last year saw the number of available programs on [findhelpidaho.org](https://findhelpidaho.org) increase to 4,471. Idaho residents performed a combined 226,800 searches where they were connected with resource providers through a database of up-to-date free and reduced-cost services.

## COMMUNITY SCHOOLS

**8,240** community members supported

The United Way of Treasure Valley-backed Community Schools initiative made a comprehensive impact by preparing children for school, supporting students in and out of the classroom, and equipping young adults for life after high school.

We also promoted healthy habits, provided crucial preventative medical and dental services, ensured access to behavioral health support, and improved housing access for those in need, all contributing to a stronger, healthier community.

## ICCS

**41** schools statewide

The Idaho Coalition for Community Schools empowered 41 schools statewide, creating thriving environments for students and families. Additionally, the ICCS Collaborative Funders provided vital funding and direct support to 17 schools, making a significant impact.

ICCS united partners to secure game-changing funding for community schools through the U.S. Department of Education, launching the Idaho Rural Expansion Initiative.

Together we create healthy communities, youth opportunity, and financial security. We can address urgent needs today for a better tomorrow.
